The Best

Is the cheapest in the long run
Dodge Bros Automobiles

have the best of materials, workmanship, and comfort. You start everything—the engine, lights and car—from the seat. A starter that starts, lights that light and only a slight finger press does it. They climb any hill and go up to 60 miles. The DODGE BROS. have millions back of them and are the oldest automobile part mfrs. in the U. S. The DODGE has been tried out under all severe tests for two years before being put on the market. REMEMBER that TIMKEN BEARINGS are on the best cars made and the Dodge has them throughout.

A demonstration anytime gladly given.

Eagle Creek Notes

Mrs. Viola Douglass made a trip to Portland last week, being the guest of her daughter, Mrs. Bina Jones, for a few days, and on her return home was accompanied by her daughter, who remained until Sunday afternoon. Mrs. Douglass is again living at the old home place, her son, Ed and wife, who have had it rented for the past five years, moved to the Noah Stingley place in Eagle Creek last week. Mrs. Douglass, assisted by her son Carl, will run the farm.

Mrs. Kate Courter, of Dufur, has come to Eagle Creek to keep house for her son, James Taylor.

Mr. and Mrs. James DeShazer and family, of Firwood, were very pleasantly entertained Sunday by Roy Douglass and wife.

Mr. and Mrs. Henry Udell and children of Dover were visiting with James Gibson Sunday.

Supervisor Vedder visited the school on Monday and was quite well pleased with the progress being made.

Dee Wright, the genial government packer, who makes Estacada his headquarters part of the time, is now going around on crutches, as the result of an accident a few days ago, when a horse kicked him below the left knee, cutting a bad gash and slightly splintering the bone.
