Let us outfit you for  
winter.

## EAST CLACKAMAS SUPPLY CO.

"YOUR SATISFACTION IS OUR SUCCESS"

### School Notes

Contributed

The Estacada High School Student body has joined the Oregon High School Debating League. With the present large enrollment many students should try out in this branch of student activity. Thru this they are not only benefitted individually but it also helps to raise the standard of the school.

"100 for Estacada High" is no more a thing to be hoped for, but is now a reality, for by the addition of Theodore Turel this week, that standard of 100 has been reached.

The Parent-Teachers Association will meet Thursday afternoons at 3:30 P. M. All parents are especially invited to be present.

Next Saturday afternoon our foot-ball team will meet the James-Johns High School team here. All foot-ball enthusiasts should be present for a lively game is promised, especially if played according to the hard work and vim displayed in last Saturday's game, whereby E. H. S. returned with the notorious score of 102 to 0 in our favor.

The Websterian Society will render a literary program Friday afternoon at 2:05. All are cordially invited to these school programs.

Mrs. Elizabeth Garvin and Mrs. Grace Stevenson of Highland, New York left last Tuesday, after a weeks visit at the home of Mr. and Mrs. A. E. Sparks of Estacada.

### Missionfest Enjoyed

All of the residents of George and nearby country attended the annual all-day Missionfest at the George Presbyterian Church last Sunday.

The services were in charge of Rev. Hoffner, pastor of the church, and addresses were delivered by Rev. Aue of the Springwater Presbyterian church, Mr. W. Givens of Estacada and Rev. Hayes of Portland.

An extensive and impressive musical program was rendered with selections by the Garfield band, duets and trios by Mr. and Mrs. C. F. Aue and Miss Mary Folsom.

### Honor Roll

Miss Helen Hoss, teacher of the Currinsville school, in keeping with the latest accepted methods of educational stimulation and rivalry amongst the pupils, has established a monthly honor-roll, which for the month of September, includes the following:- Ralph Wade, Mary and Glen Ely, Lydia and Walter Matson, Irene and Ted Saling, Irma Jones, Marie and Ray Heiple, Arlie Coop, Marie Yunker and Doris Looney.

Other schools maintaining honor rolls or similar systems will find the columns of the Progress ready to furnish publicity.

Currinsville vital statistics will show two male additions to the population of that community, with a son born to Mr. and Mrs. Cleve Heiple, October 1st, and a similar attraction the following day at the Richard Githens' home.

### Novel Selling Plan

The Cascade Realty Company of Estacada, comprising W. F. Cary and E. S. Wooster, are this week launching a realty selling campaign which should meet with success, as it makes an attractive proposition not only for the investor but for the man of limited means who desires to own local property.

They are offering for sale over one hundred Estacada lots, at prices ranging from \$40. up, these lots to be sold at \$1. down with payments of 50c per week.

In addition to this they are in a position to build homes for purchasers of lots, on equally attractive terms. The conducting of a live selling campaign along these lines, should not only benefit the individual buyers, but should stimulate municipal activity.

### Council Meeting

The Estacada City Council, in the absence of the Mayor, held their regular monthly meeting at the Recorder's office, with Councilman Jorg as acting mayor.

Bills were audited and allowed, including money paid to Estacada men for policing the park during the summer's picnics. These bills had been held up, in hopes that the railway company would pay for same, but on their refusal, the city was forced to do so. As \$50 or more had been received by the city from fines during the summer picnic season, it covered the majority of the policing expense.

The meeting adjourned to meet Tuesday evening, October 19th, when a number of important matters are to be considered.
