E. H. S. ECHO

Echo Wade, Managing Editor
Paul Frazier, Sporting Editor
Della Lovell, Local Editor

Through the courtesy of the editor of the "Progress" an entire column has been granted E. H. S. for school notes. It is up to the School editor and assistants to make this column interesting to every reader.

There is a move on foot to organize a school orchestra. It will be an easy matter to fill the different musical positions, as ten students have already announced their intentions of becoming members, should such a movement be successful. The services of Mr. Aue, of Springwater, are being asked and we hope he will condescend to assist us, as he has had years of experience in the orchestral work. You know, the best is none too good for us.

Friday Oct. 22, the Websterian Program, which was scheduled for Oct. 15, will occur at 2:05. Everyone is cordially invited to attend.

Oct. 15, the regular monthly meeting of E. H. S. Student Body occurred. Several important matters were discussed. A committee was appointed to investigate the forms of Student Government, now in vogue in some of the neighboring schools. If this plan is found satisfactory it may be adopted in Estacada High. Also a committee was appointed to arrange for the high school play.

The Junior and Senior girls, in their white aprons, under Miss McQuaid's supervision, will soon be learning how to cook potatoes without burning and how to make nut bread without nuts.

The Domestic Science rooms, which are in the yellow house north west of the school building will soon be in readiness for the year's work.

Every girl belonging to this class expects to do her share in the work on the building by donating an hour in the paper hanging or twice as long in the painting of the woodwork.

The subject for the inter-scholastic debate is: Resolved, that the United States should adopt the essential features of the Swiss

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

system of military training and service: A number of students will try out for this debate; although no definite assignments have been made, the tryout will take place sometime next month.

Last Friday we were all pleasantly surprised to have our former teacher, Miss M. Gertrude Jones, with us.

ESTACADA WINS

With the score 12 to 0 against them, the gallant defenders of the green and white rushed the James John pigskin booters off their feet in the last eight minutes of play and turned defeat into victory. James John used the forward pass almost every play for good gains, while Estacada used the old style line plunging to good advantage. The spectacular line plunging of our backfield did not excel the work of our linemen who held like a stone wall during the whole game on defense and ripped great holes in James Johns' line on offense, which resulted in the scoring of two touchdowns. Final score, Estacada 14; James Johns 12. The visitors were run by a Chinese "Noodle."

GIRLS PLAY BASKETBALL

Miss Lilly, the girls' basketball coach, is vainly trying to organize a basketball team from each class. So far only a Sophomore and a Junior has reported. The green little Freshies are busy trying to gather five players a little less green than the rest, to defend their class. The Seniors are not much in evidence. The girls say they are pretty fast, and they can hit the basket every time, but it dont go in. The possibility of the Student Body giving the girls letters for playing in so many games has inspired them to greater things.

Next Saturday the E. H. S. will play Milwaukie High School on the home grounds at 2:30 P. M. Admission 25c. Come and bring your friends.

Halloween Dance

The ladies of the C. I. C. have announced a halloween Dance for Friday evening, Nov. 30th, at the Estacada Pavilion. The committee has planned a "sheet and pillow case" dance, with all dancers masked in sheets and pillow cases. Further announcements will appear later.
