### Feature Films

Mgr. Sparks received the following letter, which assures an interesting set of films for the next few weeks to be shown at the Family Theatre Wednesday evenings.

GEORGE KLEINE  
Motion Pictures

Seattle, Wash. Oct. 19, '15

A. E. Sparks,  
Estacada, Or.

Dear Sir:

As per advice from Mr. Jameson, we are sending you tonight, paper on first two shows—

"Officer 666" Oct. 27th.

"Quo Vadis" Nov. 3rd.

and paper for your third, "The Spendthrift" Nov 10th will follow with film for Quo Vadis.

Yours very truly,

George Kleine

"Officer 666" was shown last Wednesday evening and delighted the audience from the start to the finish of its five reels.

### Pavement Figures

Chief Engineer Pumphrey of the P. R. L. & P. Co., was an Estacada visitor last Monday. Mr. Pumphrey, who is an expert on all subjects pertaining to his work, gladly furnished the Progress with some figures, data and general information on the subject of concrete paving, as applied to local use in the contemplated paving of Broadway.

He says concrete would be about the best hard surfaced paving Estacada could use, especially as it can be laid entirely by local labor and should not cost to exceed \$1.25 per square yard, with curbing costing from 25c to 30c per running foot.

Mr. Pumphrey further states that the railway company have an electrically operated concrete mixer, mounted on a car, which could be obtained by the city and stationed near the depot, one block from the contemplated work. This machine would cost about \$12.50 per day rental, including the services of a man to operate it.

The specifications for concrete paving as used by Multnomah county are the best and the Progress has already obtained from the Multnomah County Road Master a copy of same. These specifications call for a six inch concrete layer, placed on well rolled ground bed, and should be of assistance to the City Council in their estimates on road work.

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.  
Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.
