L. H. BURD
ESTACADA

J. P. Woodle of Estacada returned home last week after an absence of three and one-half months, during which time he visited 125 relatives in six different states. Mr. Woodle's nephew, O. P. Keenan and wife of Anderson, Mo., returned home with him and are visiting among the relatives here.

H. Joyner of George is now installing a new Three Way Pump, which will probably take the place of the windlass, which sometime ago chased the P. R. L. & P. officials four different ways.

The Priscilla Club of Currinsville held an all day session Thursday, the 4th at the home of Mrs. Mary Heiple.

Benefit Nets \$130

With a large crowd, splendid music and the dancing floor in perfect condition, last Saturday night's benefit dance at Cogswell's Hall in Eagle Creek was a huge success.

The proceeds from this dance were given to Erne Hoffmeister of Eagle Creek, who recently suffered the amputation of his left arm. The proceeds amounted to \$130.20, which speaks well for the liberality, sympathy and friendship extended to Erne.

Erne Hoffmeister wishes here-with to thank all friends for the kindnesses and help shown him in his misfortune.

To Open Broadway Hill

A number of the residents of Estacada have volunteered to give from one to fifteen days labor each, in the work of cutting away the hillside on Broadway, between 4th and 5th Sts.

A petition headed by O. O. Bland, A. G. Ames, Willis Yonce and others is being circulated through town and it is likely that sufficient volunteer work will be obtained to complete the cut and partly fill the grade, thereby making it possible for traffic to reach the upper part of town via Broadway.

While the council does not feel that the city proper can afford to spend any money on this work at this time, undoubtedly the grading and graveling of the road will be done at a latter date from city funds.

The Viola Church ice cream social of last Saturday, netted \$14., which will help install better lights in the building. Among the visitors were Mrs. Clara Hicinbotham and daughter Alice of River Mill.

The Family Theatre in Estacada has had installed a new heating and ventilating system, the work being done by C. C. Miller of Estacada.

Al Myers and family of Viola expect to leave Saturday for their former home in Bison, Kansas, where they will reside permanently. They will be accompanied by Mr. and Mrs. John Ficken and son Stanley, who are going back to visit. The trip will be made via California, where they will visit the exposition.

The three Viola hunters, who returned from a coast trip Saturday, brought in the remains of one deer and report almost having shot a bear.
