At an Adelphic meeting last week afternoon, Miss Lilly, was chosen, by the Society, as their adviser for the remainder of this Semester.

The following schools are members of the North Willamette District of the State High School debating League: Canby, Forest Grove, Jefferson, Newberg, Oregon City, Salem, Silverton, Woodburn and Estacada. The first series of debates has been arranged in three triangles, and will probably occur on Jan. 14th, when Estacada's negative team goes to Oregon City and Forest Grove's negative team meets our affirmative team here.

The students all join in thanking the citizens of the town, who so loyally supported them and especially appreciate the work of Mr. Standish, in securing the special cars and the special 15c rate into the game.

Thursday evening, Dec. 7th, is the date decided upon for annual school Entertainment.

It has been reported that Ted Turel an ex-member of our Freshman class is now defending Uncle Sam, in the navy crew.

The regular monthly meeting of the Student Body last Friday proved very interesting. After much debating it was decided that the girls should each receive a white "E" to be worn on green backgrounds for playing so many halves in class basketball. The matter of student government, as it prevails in several of our neighboring schools, was discussed but finally dropped. A committee was appointed to see about arranging for a High School Fire Dept., whose duty it would be to have charge of any school fire. Each person tardy is to write a two hundred word essay with an increase of one hundred words for additional tardiness.

The four classes and the Student Body are now represented on the bulletin board by pennants. The Junior and Senior classes placed theirs there Monday.

The colors of the classes are as follows: Senior, cardinal and white; Junior, maroon and pearl gray; Sophomore, old rose and olive green; Freshman, green and red. The High School colors are green and white.

We are very glad to welcome another Freshman to our ranks, Elsie Whitman, of Sherman county.

Ivan Lacey, finding school work too much for him, has retired to the farm.
