

## DODGE BROTHERS As Desert MOTOR CAR Stages

Fleet of 18 are used on route that lies through Imperial Valley

Each car averages 1,000 miles per week and company is enthusiastic over performance.

Out in the Imperial Valley of California, a fleet of 18 Dodge Brothers motor cars are used as stages. They are known as the "Pickwick Stages," because of their starting at the Pickwick Theatre, San Diego.

Their route lies across a portion of the California Desert and each car averages about 1,000 miles per week. Various makes of motor cars were tried out by the Pickwick Stage Company, which operates the line. About six months ago the first Dodge Brothers car was purchased and subjected to many tests on the route. The success was so striking that several more were bought and this number has been added to, until there are now 18 in use, and more to be bought within a short time.

According to Mr. Bayes, one of the proprietors of the company, the upkeep on these cars has been remarkably light, and within a year he expects to operate Dodge Brothers cars only.

### Xmas Postal Regulations

Postmaster Johnson of Estacada, in order to conform with the latest requirements of the Postal Service during the holidays, must route all mail direct from the Estacada office, in separate sacks to the states to which directed.

This additional work will make it necessary that the money order and package window be closed from 4:15 P. M. until after the mail is distributed, so the public is requested to not wait until just before mail time to hand in their packages and obtain money orders.

Lester Hale of Currinsville, who made a second trip to the hospital in Portland a week or so ago, has returned to his home, where he is reported to be much improved.

### State Veterinarian Sent For

Owing to an epidemic of influenza or a similar disease among the horses in the Eagle Creek, and Currinsville neighborhoods, Henry Githens this week sent for the State Veterinarian, to see if anything can be done to check the malady.

Among those having lost or now having sick horses, are H. Githens, J. W. Dowty and Frank Boyer of Currinsville.

The ladies of the Garfield Country Club will give an all night dance at the club hall, on Friday evening, December 10th. Tickets will be \$1. per couple, including a Dutch lunch. All proceeds will be for the club. Everyone is invited to attend.

### Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All Druggists, 75c. F. J. CHENEY & CO., Toledo, O.
