The Seniors have decided that they would like to stay in E. H. S. another year. Last week they were royally entertained by the Juniors, Friday night and by Mrs. Harkenrider, Saturday night.

Friday night the Juniors and Seniors met in the Assembly and listened to a short program given by the Juniors and then all adjourned to the English Room, where games were played. Refreshments were served and they left at a late hour, being glad that they are members of the class of '16.

At Seven Thirty Saturday night the Seniors might have been seen wending their way toward Harkenriders', it being George's 18th birthday.

Games and music furnished entertainment for the evening. Dainty refreshments were served by Mrs. Harkenrider.

They left after wishing George many more happy birthdays.

Every evening for the past few days there has occurred a fast game of basket ball in the school play shed.

The Junior boys won from the Freshmen 9 to 2, the Junior girls won from the Seniors 8 to 7, and the Senior boys from the Sophomores 13 to 8.

All the games were good but the best was between the girls. This was as clean a game as one could expect, considering it was between girls. They all escaped with all their temper and hair but the referee was frequently told where he was wrong.

Gladys Carpenter holds the record for throwing baskets from fouls, and Helen Keith has the

record for making fouls, so it is hard to make the Seniors see why they lost.

Mr. Irvine acted as referee but he says he will not resign unless he is asked to referee another girls game.

If any one notices peculiar expressions on the faces of our H. S. students, don't be alarmed, they are not going crazy; they are only getting in practice for their parts in the H. S. play next January.

Last Friday the final debate try out, between the two societies, was held. The Websterians upheld the Affirmative side while the Adelphics walked off with a decision in favor of the negative. Those who won a place on the team, to represent E. H. S. were Lloyd Ewalt, Lewis Jones, Gladys Carpenter and Carl Kimmel.

The Pacific International Livestock show was opened, in Portland, Monday. It is hoped that students of the various Agricultural classes will be able to attend, as much might be derived from it. Members of the two advanced Agricultural classes are planning to go Thursday.

Last Saturday there was a meeting of the Clackamas County School Men's Club, in Oregon City. Our school was represented by Mr. Guthrie and Mr. Irvine. Mr. Ford and Mr. McCormick were there. Dr. DeBuske, of the University of Oregon, gave the principal address. The question of having a County Grammar School Debating Contest was discussed. Lunch was served by the Domestic Science Dept. of the O. A. C.

This coming Saturday a Joint Teachers' Association meeting will be held at Oak Grove. Mr. Guthrie will attend and is to give a talk on "How to Teach Practical Agriculture in Elementary Schools."

School Children Give Interesting Program

The Holidays Program, rendered by the pupils of the various classes of the Estacada schools at the Family Theatre, Tuesday night, packed that building from the front seats to the rear doors, the audience being largely made up of the parents of the participants and school children.

Every student, from the primary tots to the high school grownups accomplished well their part of the program, reflecting much credit on the teachers and others who had painstakingly drilled them.

Few of the children appeared at all embarrassed before the footlights, although more than one anxious and fond parent, went through the throes of nervous prostration, while their offspring were performing.

Viola School Honor Roll For November

Miss Myrtle Woodle, Teacher
Ruth and Mildred Cockerline,
Amy and Harry Mattoon, Leslie Hamilton, Bernice Miller, Beulah Hicinbotham, Winnie Eaden, Wilfred Young, Norma and Bruce Randolph, Andrew Graham, Margaret Craft and Elmer Olson.

THE GOOD JUDGE AND THE PRESIDENT OF THE GRANGE.

NEARLY all W-B CUT users owe the comfort of W-B Chewing—the Real Tobacco Chew, new cut, long shred—to friends who told them about it. W-B CUT Chewing is rich tobacco—a small chew takes the place of a big wad of ordinary tobacco and it lasts. Get a pouch and give it a quality test.

"Notice how the salt brings out the rich tobacco taste!"
