Uncle Billy Not A Candidate

probably support a candidate of their political complexion from this district, after the primaries.

More requests have come to the Progress for the calling of a meeting sometime in January for a general discussion of the political situation, with representatives present from all parts of Eastern Clackamas County. Such a gathering, if handled rightly, would do much to effect a closer formation and bonding together of Eastern Clackamas County, not only in the coming political campaign, but for mutual advancement in all matters pertaining to the common welfare.

It has been suggested that a so called political dinner be arranged to take place in January, at the Hotel Estacada, where over a good dinner, amid the fumes of good cigars, a rousing good talk-fest could be enjoyed. Probably a good dinner could be served for 100 or more people for about 50c per head, at which not less than \$5. worth of good time and good fellowship would be obtained.

Advise the Progress office, if you, as a public spirited citizen of Eastern Clackamas County, would attend if the dinner is decided upon, but an idea first must be obtained as to the number who would be present at such an affair.

Notice

A mass meeting will be held at Barton, Oregon, Monday Dec. 27 1915 at 1:30 P.M.

Steps will be taken at this time to effect a permanent organization of the taxpayers of Eastern Clackamas County for the purpose of urging a more equitable system of taxation and for the promotion of economy and efficiency in the administration of public affairs.

Called by authority of Taxpayers Committee.
