After ten days of quietness, Tuesday morning the Estacada school again started its usual commotion of hurrying footsteps, laughing voices—and some study. With a few exceptions everyone was here and every teacher in their class room ready to begin the new year with hard work. We are glad to see all the teachers back in spite of vacation happenings. So far, no students have been reported as changing their names during the holidays.

The usual enrollment has been increased by three new pupils, Warren McWillis, a Sophomore; Irvie and May Lovell of N. Dakota, as Freshmen.

The six debaters, who are to represent E. H. S. this year spent Thursday and Friday studying at the Portland Library. The Debate will occur January 14. The subject is proving very interesting this year, and everyone, who is interested in the upbuilding of our country should come and hear it.

Beginning with this week the basketball boys will observe strict training rules, and practice and drill long and hard each evening at the pavilion for they are expecting a game the fifteenth. Manager Harkenrider has had great difficulty in arranging the games.

The play shed has been equipped with travelling rings and parallel bars. This was done by Professor Guthrie, who, after consulting all the lumbermen, hardware men, plumbers, mechanics and civil engineers in the country, found out what he wanted and where to "head in at." Nevertheless, the design, finish, looks and mechanical principle of this new apparatus is a work of art.

THE GOOD JUDGE FINDS A MERCHANT WHO KNOWS.

THAT LITTLE BIT OF
W-B CUT GIVES ME FULL
TOBACCO SATISFACTION.

YES, JUDGE, SOME MEN ARE
JUST FULL AND THEN SAY IT'S
TOO STRONG. I TELL 'EM TO
TAKE A SMALL CHEW
AND NOT GRIND ON IT.

THAT'S
RIGHT.

OBSERVE the way W-B CUT users handle their tobacco; notice how small a chew they take; how little they spit—that's because W-B CUT chewing is rich tobacco.

Your dealer sells it. Tell him you want W-B CUT Chewing—the Real Tobacco Chew, new cut, long shred. 10 cents a pouch.

"Notice how the salt brings out the rich tobacco taste"
