E. H. S. ECHOES

Echo Wade, Managing Editor
Delta Lovell, Local Editor
Sam Bar, Sporting Editor

Everyone is going to be there so why not join them? We mean at the school house, Friday night, at 7 P. M., to hear Forest Grove and E. H. S. debate on the subject of U. S. Army. E. H. S. will also debate Oregon City on the same subject, at the same time, in Oregon City.

Once again the Dairy Farming class assembled in the Domestic Science Rooms and made butter. They now feel capable of working in a creamery.

Kenneth Ewalt is back in school, after a week's absence, on account of sickness.

At an Adelphic meeting Monday afternoon, the following officers were elected for the coming Semester: Echo Wade, pres.; Nettie Woodle, vice pres.; Paul Frazier, sec'y; Henry Spiess, treas.; Lewis Jones, sergeant-at-arms; McColly Dale, yell leader; Miss Lilly was re-elected advisor of the society.

Everyone was glad to see their school mate of last year, Marion Kirchem, visiting E. H. S. Tuesday and all wished that he would be in school with us this year.

Friday, January 14th, at 2:05 will occur the regular monthly meeting of the E. H. S. Student Body; petitions, naming the candidates for office, have to be placed on the bulletin board at least two days before election. Everyone is invited to attend the business meeting.

The first basket ball game of the season will be played Saturday with Franklin. Coach Irvine does not know the line-up until the game, as everyone of the squad is improving rapidly. Coach Irvine also requests that no one tempt his men with sweet meats or tobacco or anything else that maybe detrimental to rapid action, pep, and ambition.

Coming—George Harkenrider, world famous dramatist and comedian, in "A Scrap of Paper" at Boner's Theatre, Friday, January 21, 1916, at 7:30 P. M. Admission 25c—Reserved seats 35c. Reserved seats for sale at drug store, Tuesday, Jan. 18, 1916.

Sulphuric Acid Burns.

Burns from sulphuric acid are easily cured. Just remember that plain water—lots of it—must be poured on the victim of a sulphuric acid accident at once, even to throwing the party into the water if possible. This acid on the skin feels like fire. With water quickly applied in great quantity this acid is rendered harmless. Men have been burned with it repeatedly with out harm through a knowledge of this proper antidote. If not treated promptly the most horrible disfigurements result. The police department of Paris exhibits wax figures of faces of victims of the foreign practice of throwing this acid in one's face. A prompt treatment of water would have rendered the acid harmless.

THE GOOD JUDGE MEETS JIM, THE BANKER'S FRIEND

JUDGE, THIS IS MY FRIEND JIM. HE KNOWS AND HELPS NEARLY EVERYBODY IN THIS SECTION.

YES, AND A LOT OF THEM ARE USING W-B CUT--THE NEW CUT REAL TOBACCO CHEW.

If you are interested in getting as much comfort from your tobacco as many other men are getting now, get a pouch of W-B CUT Chewing—the Real Tobacco Chew, new cut, long shred—and give it a quality test. A small chew satisfies; it lasts longer than the ordinary kind and it tastes better.

"Notice how the salt brings out the rich tobacco taste!"

All About Metaphysics.

A Scotchman thus defines metaphysics: "When a man who kens naething about any subject takes a subject that nae mon kens anything about and explains it to another mon still more ignorant than himself—that's metaphysics."

Weeds.

The earlier you get the upper hand of the weeds the more you lessen their later power for mischief. This is true of other soil besides that of the garden—Youth's Companion.

Heard Out of Doors

"Well, look at the fellow! He's the first one I've seen for ages."
"He's hardly an impressive looking object."
"He may not be impressive looking, but he certainly has a striking forehead."—Boston Transcript.
