"Sturdy as the Oak"

In designing this new Oakland Six, Model "32," the engineers have met the demand for a car devoid of every bit of excess weight which added nothing to the endurance of the car or the riding comfort of the passengers. They produced, in Model "32," a motor car with every advantageous mechanical and engineering feature found on high priced cars.

And so well did they plan that the result is a new Oakland Six at \$895. — the FIRST real, full-sized six-cylinder car to sell at less than \$1000.

This car possesses all of the essentials of the most exacting motor car service. The car is roomy, with wide seats and plenty of leg room. Long, resilient springs and deep upholstery insure perfect riding comfort on any road.

Shearer Awarded Premiums

Ed Shearer of Garfield the popular poultry raiser, received by Monday's express two boxes of trophies awarded him at the recent Grays Harbor Poultry Association's show.

Among the prizes was a handsome silver loving cup, awarded for the best pen of fowls at the show, against a field of over 800 birds. Two smaller silver cups, one for the largest and best showing of Brahmas; one for the best showing in the Asiatic class. One percolator coffee pot for the best pen of Brahmas. These prizes are now on display in the window of the East Clackamas Supply Co. an advertisement for Eastern Clackamas and its poultry claims.
