Data Needed for School Rate

Traffic Manager, F. D. Hunt of the P. R. L. & P. Co., was an Estacada business visitor Tuesday, attending to several important matters, among them being the establishment of a special rate for school children, between Barton, way points and Estacada.

In order to determine the exact rate, which will be about 1-1/2¢ per mile, with a minimum fare of 3¢, it is necessary that the approximate number of pupils who would now avail themselves of such a rate and the number who would take advantage of same at the beginning of another school year, be ascertained.

The Progress has volunteered to obtain these statistics and parents, contemplating sending their children to the Estacada schools, or who are now doing so and who would use such reduced transportation, are asked to advise the Progress office at once. This rate will also apply between Cazadero and Estacada.

Songs Between The Acts

Announcement is made of an added attraction to the C. I. C. play to be given at Boner's Theatre, the 29th, as Mr. Harry Williams of the Apollo Club of Portland will render vocal selections between the acts.

Will Build This Spring

S. W. Lawrence, owner of the Portland Laundry of Portland, was an Estacada business visitor Wednesday, having spent the day in Springwater, where he is interested with his brothers, George and Lou, in farming and fruit raising.

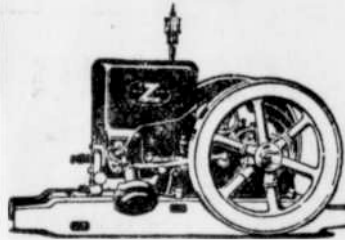

Mr. Lawrence contemplates building this spring on his property, which was formerly the Raymond place at the top of the Springwater Hill. He will erect a house, barns and other buildings. He interviewed several local mill and lumbermen as to the lumber and hopes to be able to buy all needed supplies for the building from local merchants, although at present, owing to changes in several mills, the local supply of lumber is low.

Mr. Lawrence also contemplates planting an acreage to prunes the coming spring.

Coasting and Skating

Coasting on the Main St. hill has furnished great sport for the Estacada people, young and old, for past ten days. Beginning Monday and up to today, a few venturesome men and boys have been skating on the river near the park, where the ice is 2 to 4 in. thick.

County Autos Return
\$2,697.86

The annual report for 1915 from the office of the Secretary of State, shows that the receipts from automobile, motorcycle, chauffeurs' and dealers' registrations, transfers and duplicates from Clackamas County for the past year, was \$3,367.50. After deducting the expenses incurred, there was remitted to the Clackamas County Treasurer, \$2,697.86.

RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1/4 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.
