Henry Githens of Currinsville is now visiting relatives near Albany, Or.

Miss Norma Randolph of Viola was tendered a surprise party last Tuesday evening, by her teacher, Miss Woodie and some of her school mates.

John Githens with his pack of hounds was successful last week in rounding up and killing a coyote near Alspaugh.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Hall's Family Pills for constipation.

There'll be Something Doing

At next Saturday night's meeting of the George Commercial & Social Club, there is anticipated an interesting time, as the annual election of officers is to take place.

Messrs. Stephens and Joyner are rival candidates for the presidency, with equal partisanship being shown for the lesser offices.

This club, like any hustling organization has its factions and the honor of being the president naturally brings out rival candidates, although after the election all members will probably "rally round the flag" and join in supporting the successful candidates and help them carry on the good work of the club.

Ben Sufe Returned a Winner

"Ben Sufe" the prize Persian tabby, belonging to Mrs. F. L. Heylman of Estacada won all honors in its class at the recent Queen City Cat Show, at Seattle.

Mrs. Heylman is this week in receipt of a fine loving cup, as "Ben Sufe's" prize.

There are only five male cats of this particular breed in the United States and as Mr. Heylman says—"They are all Royal Gentlemen."

Mr. and Mrs. J. B. Culick of Heppner spent a few days recently renewing old acquaintanceships in the Alspaugh, Currinsville and Garfield districts. They were the guests of Mr. and Mrs. J. W. Dowty of Alspaugh, whom they had known back in Kansas. They also renewed many friendships in the Lower Garfield section, as they had formerly lived in that vicinity.

Chester Randolph of Seattle is visiting at the home of his aunt, Mrs. John Randolph of Viola.

N. C. Janssen of Portland spent the week end at the home of his parents, Mr. and Mrs. A. M. Janssen of George.

Joe Youngferdorf of Viola has returned after a two weeks absence in California, where he was called owing to the death of his mother.

Say Mr. Autoist!

Next to your car in importance is the tire question. A tire at \$17.50 guaranteed to run satisfactorily 6000 miles is certainly cheaper than a tire at \$12. to \$15. that will go only 3500 to 4000 miles. Well—the famous "KNIGHT" tire is positively guaranteed to do this and no quibbling over mileage replacements—if asked for. More good live rubber on tread, more layers of fabric than any other tire made.

If you see them you will like them, if you try them you will love them. "The proof of the pudding is the TESTING". Once used, always used.

Clackamas Garage

N.B.—The first few buyers of KNIGHT tires and tubes (only tubes known to be guaranteed) will get good advertising prices.
