

Everybody's Going

For once, Estacada will feel the need of a larger theatre building, as indications point to a record attendance at the C. I. C. play, entitled "Three Hats," to be given at Boner's Theatre, next Saturday night.

The actors and actorines have been steadily rehearsing their

parts, until most of them are reciting their lines in their sleep.

In addition vocal selections by Harry Williams of Portland, will be given between the acts and Bronson's Orchestra has volunteered their services for the occasion.

The following is the cast of characters:—

Springwater Resident Laid At Rest

The funeral services for the late W. F. Crane of Springwater, who passed away January 20th, took place Saturday afternoon, in the presence of a sorrowing assembly of relatives and friends, Rev. Aue officiating.

Interment followed at the Springwater cemetery, the burial being in charge of undertaker, W. D. Henthorn.

Owing to other attractions in town on Saturday evening, January 29th, there will be no service held at the Estacada Christian Church.

Following the Sunday School services at the George Church last Sunday, a number of the young folks proceeded over to the Otto Paulsen home, where a good time, in keeping with the day, was enjoyed.

E. H. S. ECHOES

Echo Wade, Managing Editor

Delta Lovell, Local Editor

Sam Barr, Sporting Editor

At the last Student Body meeting the body forgot to elect editors for this column so it was resolved that the old ones act till the next meeting.

The local editor being absent and the managing editor getting used to our new cooking teacher it falls upon the sporting editor to make all the echoes. Therefore don't wonder why the "Echoes" are not up to standard.

Miss Mc Quaid has resigned on account of ill health and her place has been taken by Miss Schrepel.

We have the best football field that our team ever played on, and we wish to keep it so.

If those who have been driving across it will please go around they will be doing us a great favor, as wagon ruts on a foot ball field increase the danger about threefold. We have often returned from a foot ball trip with a man disabled for the greater part of the season, because he turned his ankle in a wagon track or something similar. Of course no foot ball player minds a sprained or broken ankle, but the coach will not let

a man play that has a leg broken or entirely missing, as this weakens our team.

The coach and manager built a high stockade around the field but a snow bird went to scratch his back against one of the posts and at present the stockade is laying on the ground.

BASKET BALL

The E. H. S. Basket Ball team met defeat at Hillsboro Jan. 22, by the score of 26- to 12. The Estacada boys did their share of the fighting but, owing to the baskets, and the referee's poor knowledge of the rules Estacada had to contribute another game to defeat.

Saturday, Jan. 29th, a return game with Hillsboro will be played in the pavillion at 7 o'clock sharp, then, with the same team, Estacada expects a victory, at least we will guarantee a fast game.

The game will be over in time to attend the C. I. C. play.
