# POWER

That's what you want—power—when you buy an automobile. So many people have bought light cars with a woeful lack of power that they do not believe they can get power in a light car.

## The OAKLAND Six

Has more power than you ever thought possible in a car of this size. And it is a little beauty, too. Seats five people and rides like a canoe floating down stream.

### Political Meeting Monday

An invitation is extended to all voters in this community, of both sexes, to be present next Monday afternoon, January 31st, at the first political meeting of the present campaign, which will take place at 1 o'clock, at the Family Theatre in Estacada.

This meeting is called by Hon. George C. Brownell and others from the lower end of the county, who will act as speakers.

It is reported that a little error of \$110,657. was discovered last week, in the amount said to have been expended by this county in road work last year, making the total amount spent during 1915 \$282,699.19, instead of \$394,356.66 as previously reported.

We are glad this error was purely in figures and not in real cash, but a system which will let a small amount like the above slip through in figures, must include an obsolete style of book-keeping.

### Chicken Tamale Party

While Mr. and Mrs. R. H. Currin of Currinsville might not have called their "500" party of last Thursday night, a "chicken tamale party", the twenty or more guests will long remember it, as an enjoyable evening spent at cards, but winding up with a bountiful chicken tamale supper.

The prizes at cards were awarded to Mrs. Barbara Mengel and Dr. Adix, but the prizes for the most tamales consumed was an even draw between all of the male guests.

Charles Kandle of Cloverdale, formerly of Springwater, spent a few days last week among friends in Estacada and vicinity. He has been working for the past few months near Portland but expects to return in a short time to the family home near Cloverdale, where his father, W. H. Kandle, conducts a large dairy ranch.

### County \$1978. Richer

Clackamas county received from the government recently, the sum of \$1,978.52 as its share of the money secured from forest reserve rentals, sale of timber and other rights, for the year ending last June. This money goes into the school and road funds.

### Entertain For Roseburg Girl

Mrs. H. V. Adix of Estacada entertained about twenty ladies last Friday afternoon, in honor of her house guest, Miss Florence Lilburn of Roseburg, Oregon.

The afternoon was spent at cards, interspersed with a number of musical selections, followed by dainty refreshments.

In the evening, Mr. and Mrs. N. S. Lauryy, of the Hotel Estacada, entertained a number of friends at a supper and dance, in honor of Miss Lilburn.
