**RECIPE FOR GRAY HAIR.**

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound and ¼ oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

**Say Mr. Autoist!**

Next to your car in importance is the tire question. A tire at \$17.50 guaranteed to run satisfactorily 6000 miles is certainly cheaper than a tire at \$12. to \$15. that will go only 3500 to 4000 miles. Well—the famous "KNIGHT" tire is positively guaranteed to do this and no quibbling over mileage replacements—if asked for. More good live rubber on tread, more layers of fabric than any other tire made.

If you see them you will like them, if you try them you will love them. "The proof of the pudding is the TESTING". Once used, always used.

**Clackamas Garage**

N.B.—The first few buyers of KNIGHT tires and tubes (only tubes known to be guaranteed) will get good advertising prices.
