

DODGE BROTHERS MOTOR CAR

Power and speed were not sacrificed in order to secure a dashing design—nor was the design slighted in order to attain the practical.

The space is extraordinarily large, and the seats are unusually wide, deep and generous.

But, as you will see, these results have not lessened, but enhanced, the beauty of the car.

The motor is 30-35 horsepower

The price of the Touring Car or Roadster complete is \$780.

Do You Enjoy Moving Pictures

As is but natural, Mgr. Sparks of the Estacada Family Theatre is beginning to feel financially discouraged at the lack of attendance at the Wednesday night moving picture shows. This condition would not be, if more people would witness just one of these Kleine-Edison feature films, furnishing an hour and a half of enjoyment, for 15c. These films are good as any exhibited in Portland. Next Wednesday evening, Feb. 16th., there will be given a five part feature, starring Irene Fenwick, in "The Green Cloak"

The Currinsville Priscillas met last Thursday at the home of Mrs. J. R. Hughes.

J. J. Fitzgerald of Portland was the week-end guest at the Henry Githens' home in Currinsville.

Mr. and Mrs. Henry Beers, who have been spending the past two weeks with the latter's parents, at Alspaugh returned to their home at Gresham Sunday.
