

C. I. C. Dance Enjoyed

Last Monday night's C. I. C. dance at the Estacada Pavilion, besides furnishing an evenings enjoyment for a good sized crowd of dancers, incidentally netted the C. I. C. between \$10. and \$15. profit, which will pay for a couple dozen more good books for the library. An extra fine lunch, comprising home made chicken salad, sandwiches, cakes and coffee was a much appreciated attraction to the affair.

The Eagle Creek Camp, No. 539, Woodman of the World of Eagle Creek have already gotten out posters advertising a big dance to be held at Eagle Creek, under the auspices of that organization, on Saturday evening, March 4th, to which all are invited.

Herman Wallace, the local chief forest ranger, who has been stationed at the Oak Grove Ranger Station for several months past, and who, with his sister, had previously lived at Cazadero, has rented and is occupying the E. M. Miller house in Estacada.

Mrs. A. Tenny of Springwater is spending the week with her daughter, Mrs. Ray Miller of Viola.

Mrs. Cockerline, mother of Frank and Clark Cockerline of Viola, is making them a visit.

The February meeting was held in connection with the fair at the school. Dr. De Busk of the U. of O. delivered a very interesting lecture on the "Life of George Washington". The lecturer attributed the success of the national hero to three causes; first knowledge, or the amassing and storing of facts; second; wisdom, or the utilizing of facts; third, enthusiasm, without which neither knowledge nor wisdom is of any avail.

The next meeting occurs March 9th at 3 o'clock.

The Viola School will have a program Friday, under the supervision of Miss Woodle, the teacher, the parents of the pupils furnishing the refreshments.
