R. G. Marchbank's Store

The sympathy of the Viola neighbors is being extended to Frank Cummin, who last Friday received a telegram from Washington, D. C., announcing the death of his brother, Capt. W. E. Cummin.

Miss Laura Cockerline of Viola, who has been in poor health since last September, was taken to Portland on Saturday, where she will receive a course of medical treatment, which her many friends hope will restore her health.

Real track practice has started this week as the annual Cross Country run comes off the 17th. The Inter-class track meet will come off a little later in the season. This meet should be an event well worth seeing as there will be lots of competition. No admission.

Owing to the fact that the Sophomore Class won the tug-of-war last Friday, the 10th, they will be allowed to fly their class flag on the 17th. The tug-of-war was held on the vacant lot South East of the schoolhouse, where a stream of city water was allowed to flow between the two teams. The losing freshman team got a good bath while being pulled across in front of the nozzle. Although the freshman had the lighter team, they put up a good fight for 1 minute and 20 sec.

The Adelpic Literary Society give their annual Magazine Program Friday, March 17th at 2:05. Everyone invited to attend.

The Sophomores were royally entertained at a weiner roast last Saturday. The Class picked out a cave on the South side of the river, where they roasted weiners and marshmallows, told stories and sang songs. Everyone returned home at a late hour, tired and weary but very happy.

Chevrolet Acts As Snow Plow

Lee Bronson of Estacada, the local champion of the Chevrolet car, is this week thrillingly narrating a wild, dangerous ride made last Sunday, when, with four passengers, he made the trip up to Fanton's mill, in the foothills beyond Garfield, part of the trip being made through a foot of snow.

Revival Services Drawing

The present revival services at the Estacada Christian Church, in charge of State Evangelist G. E. Williams, assisted by Mrs. Williams as organist, are greatly interesting, not only the church members, but others as well.

Mr. and Mrs. Williams, whose home is in Portland, began the services last Sunday, using the stereopticon at the week night meetings. While originally scheduled to continue for one week, it is likely the meetings will continue indefinitely, or as long as the present enthusiasm and attendance exists.

Mr. Williams has been the State Evangelist for the Christian Church for the past seven years, meeting with great success in his work. He conducted similar meetings in Estacada about five years ago, so is not a stranger to the local people.

With the exception of next Saturday evening, services will be held every night, to which everyone is cordially invited.
