

DODGE BROTHERS MOTOR CAR

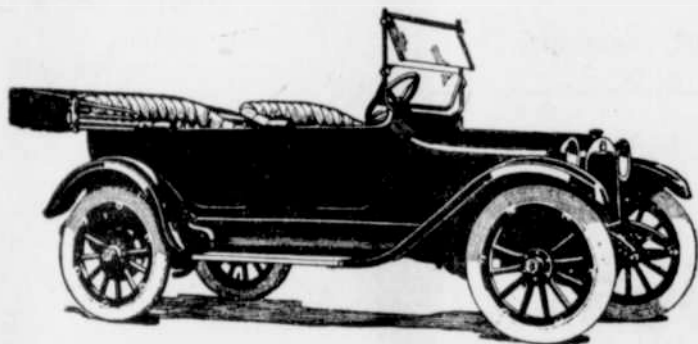

The enamel, (not paint) finish of the steel body can be restored to its original lustre until the car literally looks like new.

This is constantly being done by owners after months of use. The enamel is baked onto the steel at intense heat. Dust and mud and neglect may dull its appearance — but the glossy finish is still there waiting to be brought back by a simple process of cleaning.

The gasoline consumption is unusually low.

Price for this wonderful car in Estacada is "If you want to get there, get a 'DODGE'." **\$880.**

CHARLES SPACKMAN, Reporter

On Monday evening Miss Dillon attended a meeting of Illinois students who live in or near Portland. Those who were present, first witnessed a series of University of Illinois views at the Sunset Theatre, including pictures of the Illinois-Minnesota foot-ball game, and scenes from the Illinois-Wisconsin game. Afterward they enjoyed a social time in the "College room" at the Hazelwood.

The Inter-class track meet will be held on the Athletic Field Fri. Mar. 31st 2:30 P. M. All classes are turning men out for practice and Coach Irvine predicts a lively meet with prospects of a good school team.

A quarter mile track will be used this year. This track encircles the gridiron instead of cutting through it as last years track did.

The girls are training for racing events and will be on the job to bring honor to their classes.

E. H. S. was represented at the dedication of the remodeled O. C. H. S. The report brought back shows that the hospitality that has always characterized Oregon City was present.

Gibson Out For Commissioner

Harvey Gibson, of Barton, has at this late hour announced his candidacy on the Republican ticket for the Commissionership of Clackamas County.

Mr. Gibson says he has no interests to serve but the people's; that he goes into the contest with the firm determination, if successful, to give his time and thought to the advancement of the public welfare, and that he considers the road problem the most important matter before the people today.

Mr. Gibson is a resident of Barton and has lived in Clackamas County forty-five years. He is well known in that community as a successful farmer and has a large acquaintance throughout the County. Mr. Gibson's interest in public affairs is shown in the fact that his neighbors have retained him in the capacity of school clerk and school director continuously during the last twenty-six years.
