Second Silver Tea

On March 17th last, the first of the novel C. I. C. "silver teas" was held at the home of Mrs. J. W. Reed of Estacada, where a number of the neighborhood ladies spent a pleasant two hours.

The ladies get together, bringing their sewing, knitting and enjoy a pleasant afternoon, as only a bevy of women can, over a cup of good tea and with their labors not interfering with their visiting.

The main idea involved, is to interest more of the local ladies in the work of the Civic Improvement Club and to join all of the feminine forces of the community, into a closer and better relation.

The second "silver tea" will take place at the home of Mrs. H. V. Adix, Monday afternoon, March 3rd, with Mesdames Adix and Standish, as hostesses.

The term "silver tea" is due to a silver collection, which is taken up at each gathering, the proceeds going towards the support of the club.
