

I have no time to write an advertisement this week, as I am too busy chasing around country in my

Buying Up

And

for a mixed carload shipment to leave the Estacada Stock Yards about the middle of next week.

Phone me and let me know what LIVESTOCK you have FOR SALE. We made one shipment this week and hope to make one every week.

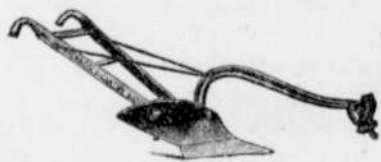

Why not supply your needs here in— **Groceries, Flour, Feed, Garden and Field Seed, Etc.**

I am continually on the look out for markets— **FOR YOUR PRODUCE**

No matter what you have to sell, it will cost you nothing to secure my cooperation in marketing same.

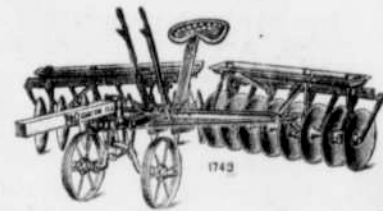

"A Satisfied Customer is the Best Advertisement"

Warm Spring Days Will make you think of

Gardens and Seeding Time

In order to supply your wants—we have in stock—several different styles and grades of Garden Cultivators with or without the Seeder Attachment or we can supply you with the Seeder Attachment if you already have the cultivator

Did you ever stop to think Why does the De Laval Separator take all the First Prizes

at the Worlds, State and County Fairs? Why is it used by 90% of all the Large Creameries in the U. S. when they require Long Lasting and Close Skimming Machines. WHY?

There's A Reason

Years of experience has proven that the Oliver Chilled Plow

is the best all around PLOW for the soils around Estacada. We can supply your wants in Plows, Shares, Mouldboards and all other plow parts.

Spring-tooth Harrows, Drag Harrows, Discs and all Farm Machinery
