THE BELL BOY KNEW IT WAS 3 A.M.

JUST because you want tobacco satisfaction is no reason why you need to put a big wad in your cheek and then have to grind on it. Get a pouch of W-B CUT Chewing—the Real Tobacco Chew, new cut, long shred. A small chew will satisfy you and you won't have to grind on it; you won't need to spit so much. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.
