HARVEY GIBSON CANDIDATE FOR COMMISSIONER

Harvey Gibson has filed a declaration of his candidacy for county commissioner, on the Republican ticket.

In announcing his candidacy for commissioner, Mr. Gibson

says he has no interests to serve but the people's interest; that he goes into the contest with the firm determination, if successful, to give his time and thought to the advancement of the public welfare, and that he considers the road problem the most important matter before the people today.

Mr. Gibson is a resident of Barton and has lived in Clackamas County 45 years. He is well known in that community as a successful farmer and has a large acquaintance throughout the county. Mr. Gibson's interest in public affairs is shown in the fact that his neighbors have retained him in the capacity of school clerk and school director continuously during the last 26 years.

If I am nominated and elected, I will during my term of office at all times conscientiously and impartially work for the best interests of the taxpayers of Clackamas county and will exercise my best endeavors in seeing that the money of the taxpayers is justly expended and that a dollar's services will be given for the dollar received.
