

GENERAL PERSHING IN DODGE BROTHERS CAR

Commander Of American
Troops Entered Mexi-

Other Dodge Brothers' Motor
Cars Were Used To Transport
Supplies Until Arrival Of
Big Trucks

According to detailed advices
now arriving from the border,
Dodge Brothers' motor cars have
played a prominent part in the
invasion of Mexico in pursuit of
Villa.

When General Pershing led
his troops across the border he
traveled in a Dodge Brothers'
motor car, and four other tour-
ing cars were used in the trans-
portation of supplies. These cars
have, of course, been since sup-
planted in this work by the big
trucks shipped to Mexico but the
touring cars are still in use by
the army.

According to the transporta-
tion department they have made
wonderful records in the desert
travel after the fleeing Mexican
bandit.

Reporting on the performance
of the Dodge Brothers' car that
carried General Pershing on the
first advance, an army officer
said:

"We had practically to make
our own roads and from what
the Dodge Brothers' car showed
on that trip I believe it could
climb a wall. The car went
through mountain passes and
over places where it was neces-
sary for the engineering corps to
blast out a trail before the trucks
coming after could get through
at all."

The motor is 30-35 horsepower.

Price for this wonderful car
in Estacada is

\$880.

For 32 years a resident of Clackamas County; raised on a farm; taught school.

At The Sign Of The Big "M"

There was a time when the
smiling face of ex-sheriff E. T.
Mass of Oregon City, was not a
joy to behold, especially if the
sheriff happened to be looking
for guilty parties and the behol-
der had a guilty conscience; but
that time is passed, for the ex-
sheriff is now "Mine Host Mass"
and since last November has
been conducting Oregon City's
best restaurant and hotel, daily
serving the out-of-town residents
a good, square meal and good,
clean rooms.

Much of the dislike that used
to be current among the Eastern
Clackamas residents at having
to remain over night at the coun-
ty seat, is now done away with.

L. C. Lawrence of Spring-
water, this week purchased the
fine 20 acre farm of W. A. Has-
brouck, near the Mace Warnock
place in Springwater, the con-
sideration being a 5 acre tract
near Garden Home on the Ore-
gon Electric Ry. While the pur-
chaser does not intend to live on
the property, it will soon be oc-
cupied by a relative.
