Shipment From Eagle Creek

M. J. Kerkes, the Montavilla Livestock buyer, made a carload shipment of hogs and cattle from the newly opened Eagle Creek yards last Wednesday.

Among this shipment were fourteen very fine Poland China hogs, from the B. F. Holman farm at Cedar Brook, these animals were "tops" in every way, averaging well over 200 lbs. each.

Grading Second Street

By order of the street committee of the Estacada City Council, Marshal Ames is now tearing up the old planks on Second St. between Main St. and the foot of the hill, preparatory to filling in and grading same.

While it is not likely any rock or gravel will be placed on this stretch before Fall at least, the ditches will be re-graded and the road put into good shape for summer travel.

C. I. C. Vaudeville

The ladies of the Estacada Civic Improvement Club, in conjunction with Manager Sparks of the Family Theatre have arranged a clever vaudeville stunt to occur in connection with the regular Saturday evening picture show, May 6th.

Stall Facilities

In order to accomodate his patrons and to also furnish suitable feeding and hitching facilities for all out-of-town buyers when in Estacada, Julius Krieger has retained the majority of the stalls, in his new place of business and announces this service at a cost of 5c per stall.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarh. Catarh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
