

Church Notes

The committee and pastor in charge of the Union Services, which were successfully conducted at Currinsville last Sunday, wish to thank all who helped and especially the owners of automobiles, who volunteered the use of their machines, in getting many of the people to and from the meetings.

The services were a decided success, being cooperated in by the churches of Estacada, Garfield, Zion and Currinsville.

The next Union Services will be held at the Mt. Zion church in Garfield, the date to be announced later by the committee, which is arranging an attractive summer program. This committee is composed of members of the different churches in this vicinity and will hold a meeting at the office of Mr. Givens in Estacada, Saturday afternoon, May 13th, at 2 o'clock.

Preaching services will be held at the Estacada M. E. Church next Sunday morning; at Garfield at 3 o'clock in the afternoon and at Currinsville at 8 o'clock that evening.

The Christian Endeavor League will meet in the Estacada Christian Church, Sunday evening at 7 o'clock, with everyone invited.

Rev. Spiess of the Estacada M. E. Church is this week attending to business matters at Gladstone and Oregon City, expecting to be absent for several days, possibly going to Marquam. Last week, Rev. Spiess appeared on the program of the I. O. O. F. Anniversary Celebration at Molalla and doing likewise Saturday evening at the Estacada celebration.

by the hundreds of taxpayers who know me—the reason being my years of experience as a contractor, road and bridge builder, coupled with a reputation for being a hard, conscientious worker and one of the heaviest taxpayers in my home part of the county.

Having constructed roads and bridges, I am perfectly capable of overseeing the building, estimating the values and doing the work myself, if necessary, without having to put the taxpayers to the added expense of hiring technical experts.

Owing to my reputation as one of the original automobile advocates and selling agents in the county, I am conversant with the county's roads—I know the condition of these roads, the needs of these roads and the majority of the people who travel these roads.

Will Closner of Park & Closner of Estacada, returned Saturday from a few days business and pleasure trip, at Chehalis, Goldendalé, White Salmon and Lyle, Washington.
