

\$12,109.58

is the amount of money, which I have paid out to the farmers of this community in the twelve months ending April 30, 1916, at the end of my first year as the original buyer of the farmers produce.

This increase in my business is the reason why I have now added one more employee to my regular force, thereby assuring a continuance of that personal service and attention to your wants that has always characterized

To Boys or Girls

Through the generosity of Grant B. Dimick of Oregon City, I have for free distribution to twenty-five boys or girls in this community, under 16 years of age, twenty-five, two pound plantings of prize winning YELLOW DENT CORN. (See article elsewhere in this paper about the cash prizes to be awarded later, for the best exhibits from this seed.)

To Parents

While I have nothing for free distribution to you, I wish to serve your needs for anything in the line of Groceries, Flour, Feed, Bee Supplies, Garden and Field Seeds, Spray Material,
