It is to be regretted that so few attend the Pleasant Hill Sunday School, which might, with the hearty cooperation of all those in the community, be made such a power for good. If other districts, no larger than ours, have good Sunday Schools, why cannot ours?

The weather is still halting the "spud planting" and the farmers of this vicinity are doing "odd jobs" to kill time.

Eagle Creek is, to say the least, extremely proud of the players which it furnishes Estacada's newly organized team. Judging from last Sunday's game Estacada is going in to win.

One automobile is helping to keep the dust in air and the road hot in our district. The Still Bros. purchased a Ford last week.

Road work has been temporarily stopped in this district on account of rain.

"Few Die and None Resign"

(Thomas Jefferson)

No other way is open for the evasion of my unqualified pledges to the people.

If I am nominated and elected District Attorney, I will, during my term of office, endeavor every day to perform useful public service.

I will give the same earnest, thoughtful and diligent care to the Peoples cause that a faithful lawyer gives to the cause of his most favored client, and I will keep in mind, constantly, the public welfare, as opposed to all private or selfish interests.

Anyone qualified for the office can take care of the work easily without a deputy; I will not require one.

I will join hands with all moral forces in making useful citizens instead of criminals out of wayward boys and girls, and I will make the office of District Attorney a creditable and useful department in County administration.

S. C. Stewart, for years past, Estacada's harness maker, last week moved to Salem, where he will reside permanently. His many friends will be pleased to hear that he is recovering from his recent sojourn at a Portland hospital and in a letter to E. B. Byers, sends his regards to his friends here.

The Modern Priscillas of Currinsville next Friday night will give an entertainment and supper at Ely's Hall, to which everyone is invited. A clever play will be given first, followed by other entertaining acts and winding up with such a supper as only the Currinsville women can dispense and all for the mere sum of 25c.
