Clean-Up In The Rain

Estacada's Annual Clean-Up Day was celebrated last Friday, with considerable work accomplished and a large supply of good dinner consumed.

Owing to rain, less work was done than in former years, but with several of the main streets torn up, less work was necessary. As it was, three teams with crews of from four to a dozen men, gathered up the majority of the non-burnable rubbish, tin cans, etc., and hauled them away.

The C. I. C. dinner, as usual, was the drawing card and the meal eclipsed the expectations of the workers, about sixty of whom participated, including the school boys.

Complaint has been made since and the same complaint has often been made before, that nothing was accomplished in cleaning up that part of the city, which first meets the gaze of the incoming traveller on the trains, namely, that part of the city, including the rear of Yonce's barn, and the rear of the old wood working plant and adjoining lots.

That part of Estacada is an eyesore and to cap the climax, the visitor first spies a big sign on the old Park Hotel Bldg., reading "Gambrinus Beer," which sign alone casts an odor on the town.

The editor will join with any bunch of men and help clean up that part of the town and will furnish the paint to eradicate that old booze sign.

HEAR WITHOUT EARS

Police and Detectives Are Using
Lip Reading in Place of
the Dictagraph

Thousands of deaf people are today throwing away all hearing devices and enjoying all conversation. This method is easily and quickly acquired thru our system. Absolutely the only thing of its kind in the country. Our proposition is entirely original. We guarantee results, it will amaze you. Cost is trifling. See what New International Encyclopaedia says on Lip Reading. Hundreds of people with normal hearing are taking up Lip Reading for the many additional benefits gained. You can understand what the actors are saying in the moving pictures. You can understand what people are saying just as far away as you can see them. The eye understands beyond the range of hearing. Send no money, but mention this paper and state whether or not you are deaf. All particulars will be sent you absolutely free and with no expense to you. Address, School of Lip Language, Kansas City, Missouri.

JUDGE, IT MAKES
ME YOUNG AGAIN

HE used to switch tobacco every few weeks. Then a friend gave him a little of W-B CUT Chewing—the Real Tobacco Chew, new cut, long shred. Steady user now.

Quite the regular thing. A man is glad he found it, and just naturally passes the good word along

Editor To Preach Next Sunday

The News had been misinformed, when it announced last week that Editor Taylor of Molalla, would occupy the pulpit at the Estacada M. E. Church last Sunday evening, as no services were scheduled for that evening, but will be next Sunday evening, May 14th.

As Editor Taylor has a reputation for being not only a fluent speaker but a humorist of the first class, the people should welcome this opportunity to hear him.

Mothers' Day To Be Observed

Mothers' Day, occurring next Sunday, will be observed at the Estacada Christian Church with all day services and all are invited to bring basket-lunches and spend the day.

The day will also be observed with preaching in the forenoon at Currinsville and at 3 P. M. at Mt. Zion by the branch M. E. Churches.

Tennis Carnival

Prin. Guthrie of the schools wishes to call attention to a tennis carnival or lawn fete, which will be held on the school grounds, sometime this month. Several good tennis matches will be staged and the high school players are issuing challenges to all comers.
