Parent-Teachers Elect Officers

The main feature of the May meeting of the Association was a domestic science demonstration given by Miss Schrepel. After defining the term, salad, and giving a brief outline of its history, Miss Schrepel made several salads and dressings which the guests were permitted to sample. Following the demonstration the Junior girls of the domestic science department served a delicious luncheon.

The association voted to spend the money in the treasury for the purchase of a tennis net and balls to be used in the play shed exclusively by the grade students.

The following officers were elected to serve for the next year: President, Mrs. C. W. Devore; Vice-President, Mrs. Graham; Secretary, Miss Dillon; Treasurer, Mrs. J. W. Reed; Mrs. F. B. Guthrie will be Reporter.

The final meeting of the Association for this school year will be held on Thursday, June eighth at three o'clock in the school house.

To Call A Pastor

Preaching services will be held at the Estacada Christian Church both morning and evening, next Sunday. Following the morning service, a business session will take place, at which time the question of calling a regular pastor will be decided upon. All members are asked to be present at this important meeting.

Polling Place For Precinct No. 1

Through the efforts of Sheriff Wilson, Deputy Ames and Mrs. E. W. Bartlett, it was decided to abandon the former polling place for Estacada Precinct No. 1 and for Friday's election, the house formerly occupied by Willis Mayfield, on Zobrist St. will be used.

Work on the Estacada cannery is going along steadily, with the old roof of the brick plant being replaced by shingles and most of the machinery ready for installation.

W. J. Wilson, County Sheriff, spent Monday in Estacada, primarily arranging for a suitable location for a voting place for Estacada Precinct No. 1 and at the same time helping along his candidacy for the Republican nomination next Friday.
