The program for the evening, will comprise, Invocation by Rev. Spiess; Musical Selection by the E. H. S. Band; Vocal Solo by L. A. Dillon; Commencement Address by Pres. Carl G. Doney of Willamette University; Presentation of Diplomas by Prin. F. B. Guthrie; Scholarship Awards by Chairman of the School Board, Fred Jorg; Musical Selection by the E. H. S. The High School closes on May 31st, with exercises in the morning, at which time the grades for the year will be given out; the "totem pole" further adorned and "Es" earned during the year, presented.

Too much credit cannot be given the principal and faculty of the Estacada High School, for only by their efforts, would this successful culmination of the years work be possible. The High School faculty comprises Principal, F. B. Guthrie and assistants, Gertrude S. Dillon, Beatrice Lilly, Minnie Schrepel and Harry S. Irvine.

While possibly a sigh of relief may welcome the closing of the school year on the part of some of the parents and pupils, all hats must be taken off to the Estacada Schools, which stand for and truly represent the highest standard of attainment and power for good in this community.

## Christian Church Calls Pastor

By a unanimous vote last Sunday, the Estacada Christian Church, voted to call upon Mr. Guy Drill of Estacada, to act as pastor, the invitation committee being W. H. Holder, Mrs. D. M. Marshall and Lewis Jones.

Mr. Drill will preach next Sunday evening, on the subject "Proof of Discipleship." Mr. Walter Givens will occupy the pulpit at the morning service, preaching on "Individual Responsibility." Sunday School will be held at 10 o'clock.

## Demented Thief Caught

Considerable excitement was current last Monday in Estacada and Currinsville, when Marshal Ames brought to the local jail a thief who had early that morning been caught by the Kitching boys, while in the act of rifling their house in Currinsville.

The prisoner was a sullen, dirty specimen of a foreigner and unable to talk English. When caught he had a supply of groceries and two freshly killed chickens packed up preparatory to continuing his ramblings.

Marshal Ames and a few local men noticed a strong resemblance between the prisoner and the much sought for Riskman, for whom the Portland police have been searching in connection with the recent Jennings murder near Tualatin. The Multnomah County authorities were notified and sent out a deputy sheriff, who at first was unable to decide whether or not the prisoner was the French jitneur sought, but finally decided he was not.

Monday's and Tuesday's Portland papers gave considerable space to the Estacada prisoner, declaring him to be Riskman's double.

Little could be learned from the man, altho all languages were used in the interrogating, but J. A. Somers interpreted sufficiently through talking Hungarian to him, to declare the prisoner insane.

On Tuesday morning, after a hearing before Justice of the Peace C. W. Devore, Marshal Ames escorted the man to Oregon City, where he will await the action of the Grand Jury or the lunacy board.

## Reed Appreciates Support

I wish to thank my many friends, the voters of this part of the county, for the loyal support given to my candidacy in the recent primaries.

Signed J. W. Reed.

Mrs. Gertrude Grimm Hutton of Portland, spent a few days in Estacada this week as the guest of her brother, Walter Givens and incidentally renewed old friendships here.
