

Anniversary Picnic

About a dozen of the friends of Mr. and Mrs. R. M. Standish of Estacada, last Sunday tendered a surprise automobile trip and picnic in their honor, the event being in celebration of their wedding anniversary.

The party, comprising three well loaded autos, with a bountiful supply of lunch, made the trip to Camp 6 on the Bull Run project, where a pleasant day was spent.

In looking back in future years, this treat and its significance of true friendship, will always stand out as mile-post and a reminder, which will never be forgotten, by their guests.

Exploding Cannon Marks Boy

Benton Sarver, the 12 year old son of Mr. and Mrs. B. O. Sarver of Estacada, met with a painful but luckily not dangerous accident last week, when a home made toy cannon exploded.

Benton had obtained some old giant powder from his father's supply and overloaded the cannon, which naturally exploded from all points, with the chief gunner receiving about fifty grains of powder, well embedded under the skin on the right side of his face.

Since the accident, Benton has been paying the penalty in having to endure the agonies of having each and every embedded powder grain extracted by a physician.

Aged Woman Dies

Mrs. Marie Yock of Upper Garfield, aged 89 years, passed away June 3rd.

Mrs. Yock was a newcomer in this locality, having with relatives recently located on the former Whelean place.

Funeral services were held at Zion Church on Monday, Rev. Spiess officiating, with interment in charge of undertaker Chapman, occurring in the Zion Cemetery.

While the deceased and family were strangers in Upper Garfield, they found the proper neighborly spirit in evidence, with the nearby neighbors offering sympathy and aid in their bereavement.

Tennis Courts Completed

The two clay courts of the Estacada Tennis Club, near the entrance to the Estacada Park, are now in playing condition and since their completion Saturday noon, have been the scene of many good matches.

No trouble has been experienced in obtaining spectators and the courts will probably be a popular spot during the coming summer days.

F. E. Beckwith The Jeweler

ESTACADA, OREGON

To Attend Roseburg Wedding

Dr. and Mrs. H. V. Adix and Mrs. Annie Morton of Estacada and Mrs. Ed Cornell of Portland spent three days this week on an auto trip to Roseburg, Oregon, where they attended the marriage of Dr. Lee A. Wells of Estacada to Miss Florence Lilburn of Roseburg.

Dr. and Mrs. Wells are expected in Estacada about June 12th, where they will make their future home, occupying their newly built house on Terrace Addition.

John Herring of Estacada and his powerful auto truck, have been more than busy for the past week, transporting the household goods of C. Christman and F. L. Bundy of Garfield to Portland, where the former will reside, with the Bundys making their future home at Hood River.

Miss Eleanor Bews of the 1916 E. H. S. graduating class, left Monday for her home at Soda Springs, Idaho. Miss Bews will have charge of a school near her home the coming season.

Gresham Chautauqua June 11-16

Beginning next Sunday, the Gresham Chautauqua will open its first assembly, continuing six days.

For those people who will not be able to attend the annual Willamette Valley Chautauqua at Gladstone, which takes place July 7 to 19, the Gresham assembly should prove a nearby attraction, with much of the same talent and many of the same speakers appearing at both Chautauquas.

The 1916 program of the Willamette Valley Chautauqua assembly, featuring the New York City Marine band, Lou Beauchamp, Victor Murdock, Sylvester A. Lond, the Kaffir Boys' choir and other attractions of wide repute, was made public in full by Secretary Cross Saturday.

There are 50 separate attractions, making up the big 13-day program which opens at Gladstone park, July 7th. In addition many interesting summer school classes, including instruction in music, physical culture, Shakespeare studies and daily Bible work, are to be given. The "forum hours," or 11 o'clock periods, are to be of unusual interest, while the daily baseball games between five Clackamas county teams are scheduled for 3:30 each afternoon with Estacada one of the participating teams.

Professor Griley, of Portland, will direct the physical culture classes; Professor J. H. Cowen, also of the metropolis, will have charge of and direct the chautauqua chorus of 100 voices and give the daily music instruction. Eleanor Sanford Large, a recognized student of the classics, will have charge of the Shakespearean studies during the assembly, in daily class work, and Rev. Phipps will look after the daily Bible studies.

Late Train After

Festival Parade

For the benefit of those desiring to witness the evening parade, on next Friday, at the Portland Rose Festival, a special late train on the P. R. L. & P. line will leave Portland at 11:35 P. M. for Estacada, Cazadero and way points.
