Good Roads Days

Owing to stress of work, Supervisor Albert Kitching and crew of the Currinsville road district, last week forgot to give the News any advance information regarding that district's Good Roads Day, which occurs today, Thursday the 15th.

Today's volunteer work will be confined to the hill on the main road near the Hale and Wade places, with the women joining in the work by preparing the picnic lunches.

On Tuesday, June 20th, a similar Good Roads Day will be held by the Currinsville, Garfield and Estacada road districts in repairing, grading and generally working over the stretch of road leading from the foot of Wilson Hill to the Lone Oak Cemetery. Teams and single hands are wanted and everyone is urged to join with the workers on that day, bringing their lunches and picnicking in the nearby grove. The Estacada merchants are helping to make this event a success by cooperation and donations.

The News just learned of a Good Roads Day which was held on the Zion Hill road in Garfield a few weeks ago, when the loyal taxpayers of that district joined and accomplished forty or fifty dollars worth of work in a short time. This latter item would have appeared in the News before, only the editor is a poor mind-reader and all workers took it for granted that the other man was going to send in the account of the work.

Already, the Currinsville crew have graded and have ready for gravelling, the stretches of road leading from the Kitching corner towards the Saling place and from the Githens corner up to the Steinman place, with good work also done on the Edgar Heiple road.

In this connection, the News wishes to ask all supervisors or others to keep it advised of road work and developments, as such news is the kind of information which any newspaper likes to print.

Out Of Doors Concert

One of the attractions at next Saturday evening's Garfield Grange Strawberry Festival, will be an out-of-doors band concert, in the grange yard from 7:30 till 8:30 and as the Garfield Band is holding special rehearsals these summer evenings, in preparation for this concert and for the Estacada July 4th Celebration, the audience is assured a treat.

Other features of the program will consist of vocal selections by the Garfield Male Quartet; a duet by Miss Helen Bartlett and P. F. Standish; solos by Miss Elva Sibley, Elizabeth Ingle and James Shearer; instrumental selections by Rev. C. F. Aue; readings by Mrs. H. A. La Barre and Edward Shearer; etc.

From 9:30 until 10:30 strawberries, cream and cake will be served and a social hour enjoyed.

Born—June 12th to Mr. and Mrs. Schenck of Barton, a daughter.

Tom Beebe and wife of Garfield are now touring California in their Ford machine.

Court Buys Paving Plant

This week we learn that the county court has purchased at a bargain, a complete hard-surfacing paving plant for \$800 and we hope it will prove of more value than the little county fair grounds which they bought a while ago, yet it is doubtful if Eastern Clackamas will derive much more results from one than the other.

Also, the good and loyal citizens of Oregon City are planning to adorn their burg with a county armory, to cost at least \$10,000 of the taxpayers' money.

Preparedness is a good thing and armories are for furthering that policy, but Eastern Clackamas will be prepared to fight some before it will stand by and watch \$10,000 go towards the adornment of the county seat.

Card of Thanks

The family of Mrs. C. S. Allen wish to express their heartfelt thanks and appreciation to the many friends and neighbors for their sympathy and kindness during the illness and loss of their loved one.

Worth Randolph of Viola has returned home, after attending the high school at McMinnville.
