Es'acada Wins Wet Game

Continued from page 1
danger at any time, but was hard-ly in shape to twirl through nine innings of wet ball.

Estacada's line-up was slightly changed, with the addition of Parks in right field; Goberg at 2nd; with Art Smith playing 3rd, while Roy Douglass filled Doc's position.

The new uniforms suffered slightly from the sloppy rain and mud struggle, but were none the worse for the wear, with no shrinking visible.

The entire ball team and the management, wish to thank the loyal fans and friends who donated the necessary wherewithal, to the amount of about \$66., for the purchase of the suits. As close to \$50. was taken in at the baseball dance Friday evening, it was not necessary for the players to contribute towards the price of their uniforms.

The baseball dance was a big success, with a good sized attendance and everyone enjoying the affair. The thanks of the community are due the P. R. L. & P. Co., for the donation of the Pavilion and to the Bronson-Erickson orchestra for the free music.

Estacada's line-up for last Sunday was

| | |
|-------------|--------|
| L. Bronson | c |
| N. Bronson | p-2nd |
| G. Smith | 1st |
| C. Douglass | c-ss |
| R. Douglass | 3rd-ss |

Next Sunday afternoon on the Estacada grounds, the Piedmont Maroons will play the Estacada team, and a big crowd of fans are going to help send them back along the same old route as the other Portland contenders.

Remember the game starts promptly at two o'clock and it only costs 25c for men and 15c for ladies to witness a better game than can be seen elsewhere for double the money.

Thanks To Road Workers

F. J. Harkenrider of Estacada, in behalf of the Lone Oak Cemetery Association, wishes to thank all those who aided in the Good Roads Day work Friday, on the road leading to the cemetery.

Valuable Bulletins For Distribution

Through the courtesy of Prof. J. E. Larson of the Extension Department of the O. A. C., the News is this week in receipt of a liberal supply of college bulletins, covering the subjects of "How to Construct Home Made Silos" and "Right Cutting and Curing of Hay"

These bulletins contain much valuable information and may be had for the asking, at the News office.

Mr. and Mrs. J. P. Forrester, formerly of Estacada, left Saturday for Portland, where they will reside. Mr. Forrester, about a year ago, purchased the blacksmith shop of John Miller and recently sold the business back to Mr. Miller, who is now conducting same.

Miss Helen Hoss of Gresham was a week-end visitor at the R. H. Currin home in Currinsville.

OLIVER
The Standard Visible Writer

BUY IT NOW!

Yes, the crowning typewriter triumph is here!

It is just out, and comes years before experts expected it. For makers have striven a life-time to attain this ideal machine. And Oliver has won again, as we scored when we gave the world its first visible writing.

There is truly no other typewriter on earth like this new Oliver '9'. Think of touch so light that the tread of a kitten will run the keys!

CAUTION

The new-day advances that come along on this machine are all controlled by Oliver. Even our previous models—famous in their day—never had the Optional Duplex Shift.

It puts the whole control of 84 letters and characters in the little fingers of the right and left hands. And it lets you write them all with only 28 keys, the least to operate of any standard typewriter made.

Thus writers of all other machines can immediately run the Oliver Number '9' with more speed and greater ease.

WARNING

This brilliant new Oliver comes at the old-time price. It costs no more than lesser makes—now out-of-date when compared with this discovery.

For while the Oliver's splendid new features are costly—we have equalized the added expense to us by simplifying construction.

Resolve right now to see this great achievement before you spend a dollar for any typewriter. If you are using some other make you will want to see how much more this one does.

Yet we have decided to sell it to everyone everywhere on our famous payment plan—17 cents a day! Now every user can easily afford to have the world's crack visible writer, with the famous PRINTYPE, that writes like print, included FREE if desired.
