C. I. C. Hold Interesting Meeting
At the regular meeting of the
Estacada Civic Improvement
Club, held Saturday at the club's
rooms, all officers and about a
dozen members were present.
The minutes of the previous
meeting were read and approved
and the report of the treasurer
showed a balance of \$56.83 and

a balance of \$14.11.
Mrs. J. R. McCurdy, a former
member, but now a resident of
East Scobey Montana, donated
33 volumes of books to the club
and the secretary was notified to
write her a vote of thanks for
the same. A vote of thanks was
also extended Mr. Ross for ser-
vices, he donated the club.
The matter of securing the sup-
ply of winter wood came up and
the president appointed Mes-
dames E. Sparks, Evans and
Saling to secure same.
A motion passed at the last
meeting was reconsidered and it
was decided not to serve lunch
at the club rooms on July 4 but
to keep open house and serve tea,
gratis, if any one desired same.
The next tea will be held the
2nd week in July, Mesdames
Morgan and Saling as hostesses.
The free use of the club piano
was granted the base ball boys
Friday, and also to Mrs. Griffith
for a dance Saturday night in
the pavillion.
A discussion followed in regard
to closing the library during the
summer and the ladies decided
to dispense with the services of a
librarian and each member take
their turn acting in that capacity
for a couple of months. The
secretary was instructed to post
a list designating the day of the
week each lady is to act.

HEAR WITHOUT EARS
Police and Detectives Are Using Lip Reading in Place of the Dictagraph
Thousands of deaf people are today
throwing away all hearing devices and
enjoying all conversation. This method
is easily and quickly acquired thru our
system. Absolutely the only thing of its
kind in the country. Our proposition is
entirely original. We guarantee results,
it will amaze you. Cost is trifling. See
what New International Encyclopedia
says on Lip Reading. Hundreds of people
with normal hearing are taking up Lip
Reading for the many additional benefits
gained. You can understand what the ac-
tors are saying in the moving pictures.
You can understand what people are say-
ing just as far away as you can see them.
The eye understands beyond the range of
hearing. Send no money, but mention
this paper and state whether or not you
are deaf. All particulars will besent you
absolutely free and with no expense to
you. Address, School of Lip Language,
Kansas City, Missouri.

Catarrhal Deafness Cannot Be Cured
by local applications, as they cannot reach
the diseased portion of the ear. There
is only one way to cure catarrhal deafness,
and that is by a constitutional remedy.
Catarrhal Deafness is caused by an in-
flamed condition of the mucous lining of
the Eustachian Tube. When this tube is
inflamed you have a rumbling sound or
imperfect hearing, and when it is entirely
closed, Deafness is the result. Unless the
inflammation can be reduced and this tube
restored to its normal condition, hearing
will be destroyed forever. Many cases of
deafness are caused by catarrh, which is
an inflamed condition of the mucous sur-
faces. Hall's Catarrh Cure acts thru the
blood on the mucous surfaces of the sys-
tem.
We will give One Hundred Dollars for
any case of Catarrhal Deafness that cannot
be cured by Hall's Catarrh Cure. Circulars
free. All Druggists, 75c.
