Eagle Creek Notes

J. P. Strahl and son Leslie and
Pete Menane started for Eastern
Oregon last week, going by wag-
on across the mountains.

Miss Helen Clester returned
home a few days ago from Mo-
lalla.

Walter Douglass left last Friday
for Eastern Oregon, going up the
Columbia Highway with Mr. and
Mrs. Geo. Douglass.

Mr. and Mrs. G. Moehnke were
recent guests at the home of their
daughter, Mrs. Roy Douglass.

Claude Woodle and wife of
Troutdale called on Mrs. S. F.
Howlett Saturday.

Mrs. Updegrave and Mrs. Birch
Roberts visited with Mrs. Viola
Douglass, the other day.

Mrs. Judd, Mrs. Fred Hoffmeis-
ter, and daughter Myrtle, and son
Victor, J. P. Woodle and wife and
Mrs. Hester Githens were calling
on Mrs. Howlett last Thursday.

Mr. and Mrs. R. B. Gibson were
dinner guests of J. P. Woodle and
wife at Estacada Sunday.

Mrs. Walter Douglass called on
Mrs. R. Brash Sunday.

The de Ronnie Bros. are busy
getting out cordwood.

Mrs. Sweeney and daughter
Della and Mrs. Will Douglass
were the dinner guests of Mrs.
E. Naylor Sunday.

John Henkle has gone to the
coast to spend his vacation.

Special services will be held at
the church on Sunday evening.
Guy Munger, who is working in
Portland, has promised to bring
one, and perhaps two ministers
out with him to take charge of
the services.

Mr. and Mrs. McGrew and fam-
ily of Portland, accompanied by
their niece, were camping at Fern
Camp on Eagle Creek last week.
J. W. Cahill and G. W. Judd with
their families visited them on
Sunday and the annual horseshoe
pitching took place. Although
the locals met with defeat, the
Portland men refused to pitch
the distance which the local
men marked out.

Chriss Longwell very nearly
met with an accident which would
probably have been fatal, while
crossing the railroad track at the
crossing on his motorcycle. He
was almost upon the track when
the car swept by missing the
front wheel by but a few inches.
Only by turning the motorcycle
sideways was a serious accident
avoided. Inasmuch as there has
been one serious accident in the
past year it would be well for the
passers-by to observe the sign at
the crossing.

George Fuchs, accompanied by
his brother Bill, has returned
from Heppner.

At The Methodist Churches

Next Sunday the churches of
Estacada will meet in union ser-
vices at the Methodist Church at
11 o'clock and a representative of
the Anti Saloon League of Ore-
gon will speak. All those inter-
ested are invited to come. The
same man will speak in the after-
noon at three o'clock in the Gar-
field Church and at 8 P. M. in
the Currinsville Church.

A COURT HEARING GIVES HIM HIS LIBERTY.

YOUR HONOR, I'M CHARGED WITH
GAMBLING BECAUSE I BET A HUNDRED
DOLLARS 10¢ WORTH OF W-B CUT-- THE
REAL TOBACCO CHEW-- WILL LAST TWICE
AS LONG AS 10¢ WORTH OF ORDINARY
TOBACCO.

DISMISSED. THAT'S NOT
GAMBLING-- IT'S A
CERTAINTY.

RICH tobacco makes a world of difference—there's
satisfaction in store for the fellow who breaks
over to W-B CUT Chewing. Tuck a little bit of
a nibble into your cheek and learn what tobacco sat-
isfaction is—that's Surprise No. 1. Notice how long one
little chew lasts—that's Surprise No. 2. Rich tobacco and the touch
of salt that keeps bringing out the flavor are what make the big
difference.

Something doing for dealers that carry W-B CUT—10¢ a pouch.

A New Model Typewriter!

The
OLIVER
The Standard Visible Writer

BUY IT NOW!

Yes, the crowning typewriter triumph is here!

It is just out, and comes years before experts expect-
ed it. For makers have striven a life-time to attain
this ideal machine. And Oliver has won again, as we
scored when we gave the world its first visible writing.

There is truly no other typewriter on earth like this new Oliver '9'.
Think of touch so light that the tread of a kitten will run the keys!

CAUTION

The new-day advances that come
along on this machine are all con-
trolled by Oliver. Even our previ-
ous models—famous in their day—
never had the Optional Duplex Shift.

It puts the whole control of 84
letters and characters in the little
fingers of the right and left hands.
And it lets you write them all with
only 28 keys, the least to operate of
any standard typewriter made.

Thus writers of all other machines
can immediately run the Oliver Num-
ber '9' with more speed and greater
ease.

WARNING

This brilliant new Oliver comes at
the old-time price. It costs no more
than lesser makes—now out-of-date
when compared with this discovery.

For while the Oliver's splendid new
features are costly—we have equal-
ized the added expense to us by sim-
plifying construction.

Resolve right now to see this great
achievement before you spend a dol-
lar for any typewriter. If you are
using some other make you will want
to see how much more this one does.

If you are using an Oliver, it nat-
urally follows that you want the
finest model.

17 cents a day! Remember this brand-new Oliver '9' is the
greatest value ever given in a typewriter.

It has all our previous special inventions—visible writing, automatic
spacer, 6 1-2 ounce touch—plus the Optional Duplex Shift, Selective
Color Attachment and all these other new-day features.

Yet we have decided to sell it to everyone everywhere on our fa-
mous payment plan—17 cents a day! Now every user can easily afford
to have the world's crack visible writer, with the famous PRINTYPE,
that writes like print, included FREE if desired.

TODAY—Write for full details and be among the first to know
about this marvel of writing machines. See why typists, employers,
and individuals everywhere are flocking to the Oliver. Just mail a post-
al at once. No obligation. It's a pleasure for us to tell you about it.

You can rent an Oliver typewriter—three months for \$4.
