Evaporator To Be Installed Monday

Henry Waespe of the firm of Hurst & Waespe of Portland was an Estacada business visitor last Monday, having spent a few hours at the Estacada Cannery, preparatory to the installing of an evaporating plant, early next week.

Hurst & Waespe are now operating a large evaporator at Clackamas and expect to evaporate at the Estacada plant, all surplus fruit from the Clackamas plant.

They also contemplate handling much of the local fruit, having contracted for many tons of prunes and within a short time will make a farm to farm canvas of this country, arranging for the buying of all apples.

It is expected that this department of the Estacada Cannery alone will distribute several thousand dollars among the local growers this fall.

At The Christian Church

There will be the usual services at the church next Lord's day. Bible school at 10 A. M. followed by communion service at eleven o'clock. There will be preaching services in the evening, beginning at eight o'clock. Subject: "A Troubled Sea and A Troubled Soul".

The public is most cordially invited to attend all services. We believe we can do you good.
