E. H. S. Looses Opening Game

Continued from page 1
from a limited number of young
and light aspirants, several of
whom later will make good.

This year's team is primarily
a one-man team, with Otis Wag-
ner as the mainstay on offense
and defense, yet coupled with
the playing of Barr, Schmidt,
Denny, Bartlomay, Johnson and
Reed, all experienced players, a
well rounded team may yet
result.

The weakest point in the home
team to date is in the position
of quarter-back, which should be
filled by an experienced player,
one who is capable of generalling
the team when in action and one
with sufficient judgement to call
for the right play at the right
time.

The work of Somers at quarter
was as good as could be expected
from an inexperienced light
weight player.

In Friday's game Estacada
showed a lack of machine-like
team work, which will come with
more practise. Much high tack-
ling and high playing in the
line was evident, with a slight
unwillingness on the part of some
of the youngsters to get in and
mix.

Janssen bids fair to make good
with more experience and
Schmidt should prove a star, if
coupled with his ability to break
through the line, he can learn to
tackle low and stop the runner.

As usual so early in the season,
the handling of forward passes
and open play by the locals was
poor, only to be corrected by
hours of steady practice.

last week of Bob Morton, former
