The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarra. Catarra being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarra Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarra Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
