## An Ode To The Football Team

Contributed

Oh, Estacada's football team,  
Is making money fast;  
All she needs is better rooting,  
Than she had on Friday last.

Now, Shrimp, he did his darndest,  
He shook the earth alone;  
Before the second half began,  
He split the megaphone.

The girls, we will acknowledge,  
Fairly split their little throats,  
But the boys looked on in wonder,  
While Gresham undressed the  
goats.

Wagner, —he's a hummer,  
Denny, —he's another star  
And we'll all agree, is certain,  
That he's followed close by  
Barr.

The team is Jake, —we all know,  
Coach Baker is the same,  
And it's up to all us rooters,  
To help them win each game.

Now, can't you boys get out and  
yell?

For landsake make a noise,  
Let's not admit one second  
That girls can out-do boys.

Watch Shrimp, and get the  
system,

And we'll win this game I'm  
sure;

We'll leave Milwaukie in disgrace,  
With the small end of the  
score.
