One thing we must all admit—the President is never too proud to sidestep.

A surplus of \$5,200,000 from the postal service during the fiscal year ending June 30 is reported by Postmaster General Burleson. With the department more than paying expenses it would seem that the executive officials could afford to keep on the payroll members of the National Guard who responded when the President called out the Organized Militia for duty on the border.

President Wilson seems to have founded his diplomacy on a rock which is off its base most of the time.

The lumber is already on the ground for the early erection of a new eight room home on the A. M. Janssen farm in George, which when completed will be one of the finest in the district.

Fred Bartholomew and R. O. Morrison have returned to Estacada after several months absence on business, having toured through most of the northwest.

Mrs. Mary L. Hill of Winnemucca, Nevada is visiting at the home of her daughter, Mrs. I. D. Wright of Estacada.

Mr. and Mrs. A. E. Sparks and their guests, Mr. and Mrs. G. W. Todd of Ft. Dodge, Iowa, motor-ed over the Columbia Highway last Tuesday.
