

**St-phens Making
Very Favorable Impression**

With the various county candidates now working over hours in soliciting votes throughout the county, H. C. Stephens of George, our home candidate for the legislature, is making a very favorable impression in distant sections of the county.

Possibly in contrast to some of the more experienced politicians with their flow of oratory, Mr. Stephens' quiet, straight-forward, businesslike manner and modesty appeals to the strangers, as it always has to those of us who have worked with him and known him intimately.

Reports from Canby, Oregon City, Molalla and other sections all indicate that Mr. Stephens' candidacy is meeting with many supporters and with Eastern Clackamas sticking by its nominee, regardless of political faith, he should be elected to represent us in the next legislature.

Among the candidates visiting Estacada this week, were Dr. Dedman of Canby, candidate on the Republican ticket for the legislature; Dudley Boyles of Molalla, now deputy Recorder and candidate on the Republican ticket for Recorder; County Treasurer M. E. Dunn, up for reelection on the Republican ticket and A. H. Graham, Cashier of the Canby State Bank, who made the trip to Estacada with the candidates.

Mrs. Walter Whitcomb, her Sister Miss Hyde, of Portland and Miss Doris Jensen of Springwater, spent Sunday at A. O. Whitcomb's ranch in Garfield.
