## E. H. S. Echoes

Contributed

Camas High School, the last victims to fall before the attack of the E. H. S. warriors were a good, fast, "scrappy" bunch of "pigskin pushers" but they were unable to cope with the offensive attack of the E. H. S.

A live, enthusiastic, business meeting of the E. H. S. Student Body was held last Friday afternoon. After the business was disposed of the time was spent in parliamentary practise.

Miss Veneta Page of the class '16 was a most welcome visitor in the high school assembly on Monday of this week.

Virgil Douglass entered school as a Freshman Monday.

Wagner, who has been out of training since the Milwaukie game, got into the game long enough Saturday to help execute one of the most brilliant passes seen on the local gridiron. The pass was good for the only touchdown of the game as Oberstaller, the star little end of the E. H. S. team, "grabbed" it out of the air and was tackled as he fell across the line for a touchdown.

The very best efforts of all are being put forth to "whip" the E. H. S. team into shape for the big game of the season with Oregon City for the championship of Clackamas County. The game will be played on the local gridiron, Saturday, November 11th, and both teams are determined to fight to the last ditch against their old and most hated rivals.

On the afternoon of Nov. 7th the E. H. S. will in a straw vote decide upon the best men to put in office.

Next Friday afternoon the Websterian Literary Society will render their second program of the school year in the high school assembly at 2:15 P. M. Everyone is invited to all programs.

The grammar school is busily preparing for their annual Thanksgiving program to be given Nov. 21, 1916.

### Shoe Repair Shop Opened

J. R. Townsend of Estacada, who at various times has been in business here and who until recently has been working in the shoe repair department of a large Portland shoe firm, is opening an up-to-date repair shop on Broadway, in the building formerly occupied by Hunt's shooting gallery.

A big crowd attended the J. A. Reid auction sale in Springwater last Friday, and with A. W. Cook of Damascus acting as auctioneer, good prices and many sales resulted.

THE GOOD JUDGE HEARS A MERCHANT TELL ABOUT W-B CUT

JUST A LITTLE CHEW OF W-B CUT SATISFIES. ITS RICH TOBACCO, SO IF YOU TAKE A BIG CHEW, OR GRIND ON IT MUCH, YOU MAY THINK ITS TOO STRONG.

I WANT TO GET AWAY FROM THE BIG CHEW MAGIC.

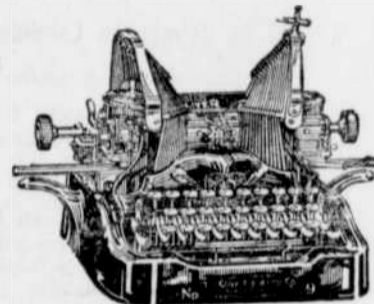

WELL MERCHANT, YOUR CUSTOMERS WILL APPRECIATE YOUR TELLING THEM ABOUT W-B CUT TOBACCO.

YOU naturally take to the broad minded merchant who has your interest at heart. Many of them have taken up W-B CUT Chewing themselves and are glad to show you why you should use the little chew. The common sense of rich tobacco chucks full of satisfaction—shredded and lightly salted, so you get at the tobacco satisfaction—is making friends here and there.

## A New Model Typewriter!

The No. 9  
**OLIVER**  
The Standard Visible Writer

## BUY IT NOW!

Yes, the crowning typewriter triumph is here!

It is just out, and comes years before experts expected it. For makers have striven a life-time to attain this ideal machine. And Oliver has won again, as we scored when we gave the world its first visible writing.

There is truly no other typewriter on earth like this new Oliver '9'. Think of touch so light that the tread of a kitten will run the keys!

### CAUTION

The new-day advances that come along on this machine are all controlled by Oliver. Even our previous models—famous in their day—never had the Optional Duplex Shift.

It puts the whole control of 84 letters and characters in the little fingers of the right and left hands. And it lets you write them all with only 28 keys, the least to operate of any standard typewriter made.

Thus writers of all other machines can immediately run the Oliver Number '9' with more speed and greater ease.

### WARNING

This brilliant new Oliver comes at the old-time price. It costs no more than lesser makes—now out-of-date when compared with this discovery.

For while the Oliver's splendid new features are costly—we have equalized the added expense to us by simplifying construction.

Resolve right now to see this great achievement before you spend a dollar for any typewriter. If you are using some other make you will want to see how much more this one does.

If you are using an Oliver, it naturally follows that you want the finest model.

17 cents a day! Remember this brand-new Oliver '9' is the greatest value ever given in a typewriter.

Yet we have decided to sell it to everyone everywhere on our famous payment plan—17 cents a day! Now every user can easily afford to have the world's crack visible writer, with the famous PRINTYPE, that writes like print, included FREE if desired.
