Dr. Bertha Devore of Drain, Oregon spent the week-end at the home of her brother, C. W. Devore of Estacada.

The Garfield Dorcas Society will meet for an all day session on Thursday, November 16th, with Mrs. W. W. Dillon of Estacada. All members and friends are cordially invited.

With a light snow having fallen the day before the season ended, several local hunters succeeded in landing their share of venison, among them being H. B. Davis, Tom Carter, Harry Stokes and Ralph Reid of Garfield.

Vernon Schmidt of Springwater this week purchased a Ford touring car from the Estacada Garage.

As usual, when the P. L. & P. Co. learned that Estacada contemplated a time on Election Night, they immediately donated the use of their park pavilion, which courtesy was greatly appreciated by the business men and their guests.

Savages and Place Names.

It is very rare that savages give names to extensive lands as a whole, and at first sight this seems surprising. Yet when we reflect that the average savage rarely travels more than 100 miles from his birthplace it is quite natural he should know nothing beyond his personal knowledge.

If savages live on a very large island they are acquainted with only a small part of it and give names only to those portions with which they are familiar.

The largest islands of the Pacific have no native names. No name for the continent of Africa is known among its savage tribes. When told that they live in Africa a common response is that they never heard of such a country.

As a rule, Pacific explorers were careful to retain native names if they could ascertain them. Cook was particularly desirous to retain native names for all his greater discoveries because he could find no other appellations.—Exchange

THE LAWYER TELLS THE GOOD JUDGE ABOUT THE STUBBORN ONE

JUDGE, LOOK AT THAT FELLOW'S FACE—ALWAYS CHUCK FULL OF ORDINARY TOBACCO. SEEMS SOME OF HIS FRIENDS WOULD TELL HIM ABOUT W-B CUT.

I AM SURE HE WOULD APPRECIATE IT.

YOU'RE not sorry for gophers and monkeys with their faces all swelled out—they are built that way, pockets in their cheeks to hold stuff till it's feeding time. But you can't help feeling sorry for a man with a big wad of old kind of tobacco—he isn't even getting satisfaction. W-B CUT is rich tobacco—full of satisfaction—a little chew, is right size, and it cuts out so much chewing and spitting.
