ESTACADA, OREGON

Estacada Loses County Championship

Continued from page 1

The ends, Oberstaller and Johnson were in the game with both feet, breaking up the interference repeatedly and nailing the runner hard. The line men, owing to their position in the midst of the scrimmages, were not able to do the individual star work done by the outside players, but the very fact that the E. H. S. line held like a stone wall, indicated that Reed, Drill, Jannsen, Schmidt and Barr were on the job.

Bartelmay at quarter-back proved to be a sprinter, returning punts for good yardage and in scrimmage making long side runs but gaining little distance. If his management and direction of the offensive during the second half was according to higher orders, he is not so much to blame, although under the conditions he would have been excused for changing the mode of attack to line plunging, instead of adhering to losing passes.

The referees, Mac Dale and an Oregon City man, did their best, but the latter in the last half demonstrated that he needed further instruction in the rules of the game.

Much credit is due Lewis Jones, the E. H. S. yell-leader, who with this perfectly drilled chorus of rooters, kept the game and the crowd going from start to finish.

The visitors deserve credit for playing good football and clean football despite the old rivalry between the teams, good sportsmanship prevailed on both sides.

A return game has been arranged for next Saturday afternoon at Oregon City and unless Estacada wins that contest, no excuses should be forthcoming.

Arrangements are being made for a special train to carry the local rooters to the county seat and memory of last year's excursion should guarantee at least two carloads of fans. See that your reservation is made at once, notify either the News office or Mgr. Phil Adams of the high school team.

Two special cars will cost \$90.65 with seating capacity for 108 passengers, so if 108 reservations are made, it will guarantee a round trip rate of 85c each.

Thanksgiving Grange Program

Garfield Grange will hold their regular Thanksgiving meeting, including the dinner with good things too numerous to mention, on Saturday November 25th, commencing at 10:30 A. M. sharp.

The afternoon will be given over to the juveniles of the district with them furnishing most of the program.

Prof. F. B. Guthrie of Estacada will talk on Opportunities for Children in the Rural Districts.

Everyone young and old come out and fill the hall so that the Grange will be compelled to have the proposed addition to the hall completed by the Christmas meeting.
