THE LAWYER TELLS THE GOOD JUDGE ABOUT THE STUBBORN ONE

YOU'RE not sorry for gophers and monkeys with their faces all swelled out—they are built that way, pockets in their cheeks to hold stuff till it's feeding time. But you can't help feeling sorry for a man with a big wad of old kind of tobacco—he isn't even getting satisfaction. W-B CUT is rich tobacco—full of satisfaction—a little chew, is right size, and it cuts out so much chewing and spitting.

Don't Sweep Dirt Into Streets

Among other matters of importance taken up at the meeting of the Estacada city council last Tuesday evening, was the enforcement of the nuisance law, prohibiting merchants and others from sweeping refuse from their stores or homes, into the streets. Marshal Osborne has been instructed to see that this ruling is strictly enforced.

No final settlement of the paving contract with S. P. Pesznecker was made, but the sum of \$1,000 was ordered paid to him, with a balance of about \$500 retained, until matters now under dispute, can be settled.

In the absence of Road Supervisor Ralph Lemon of Garfield, who will work at Bend this winter, Foreman, Richard Davis is in charge of the road work and if the present good weather continues, contemplates rocking the intervening stretch of road between Shriner's and Shearer's.

John Zobrist of Estacada returned recently from a trip to Bend, where he has been looking over some real-estate holdings which he has there.

Estacada, only, this fund must not be confused with the Road fund. The Road fund shows warrants outstanding to the amount of \$1522.07, that was incurred by the Council during the year June 1914 to June 1915, which are to be taken care of at the meeting called for Nov. 25, 1916.

The above estimate shows that it is imperative that the full \$.005 levy must be made, for even with this levy there will be a deficit in the year 1917.

By order of the Common Council.

Claude W. Devore,
Recorder, of the City of Estacada.
Dated, November 1, 1916.
