Lighting for the Farm

Elsewhere in this issue appears an advertisement that should interest every farmer who today is forced to use kerosene with its attendant dangers in home and barn lighting.

This Delco Lighting System, with its low cost of installation and operation should revolutionize rural home illumination and with its lowering of insurance rates on farm buildings, prove an economy as well as a luxury.

The Estacada Garage the local agents, within a few days will have installed a complete outfit and all parties are requested to call and inspect the plant.
