### Boys Pig Clubs Organized

At a meeting held among the boys of the Estacada Schools last Thursday afternoon, two boys pig clubs were organized, one among the high school students and one among the grade pupils.

That afternoon, Prof. Allen of the Extension Department of the O. A. C. gave an interesting talk to the pupils on the formation of Industrial Clubs, with pig clubs among the boys and canning clubs among the girls.

For sometime past, Prin. Guthrie of the schools and Mgr. Frank Ewing of the railway company's agricultural department, have been working to interest the boys and girls in this important work.

Arrangements have been made with the Estacada State Bank to finance the club members, by loaning on the boys notes, to cover the initial expense of purchasing thoroughbred sows.

Several boys in Springwater and Viola are considering the formation of a similar club and all boys desiring to get into this profitable work are asked to notify Mr. Guthrie or Mr. Ewing.

Besides the cash profit from the raising of pigs, prizes and competition takes place at the 1917 East Clackamas County Fair, with the winners getting a free trip to the county and state fairs.

The club work is not confined to any breed of stock, but it is

hoped that the efforts in this community will deal largely with one or two standard, popular breeds.

Each club member also receives free from the O. A. C. regular literature, containing directions for profitably carrying on the work, such as pasturing, raising of feed and care of the pigs.

As a further incentive to the local boys, Mgr. Ewing has promised to take all members to the Annual Livestock Show in Portland next month, besides aiding them in getting in touch with leading swine breeders of the state.

This project is an extra fine one, ultimately being of big value to this community, but reflecting the up-to-date methods being adopted by the railway company's agricultural department and the interest displayed by the Estacada State Bank.

### 1916 Oratorical Contest

The first of the High School Oratorical contests, which will hereafter occur annually, will take place Tuesday evening, Dec. 5, in the High School assembly hall at 8 o'clock. This contest will decide whose will be the first name to be engraved on the silver loving cup which was presented to the school by the class of '16, for a prize in oratory.

The program of orations will be supplemented by good music. There will be no admission fee, and the friends of the school will be heartily welcome.

Pastor Givens will preach at both morning and evening services at the Estacada Christian Church next Sunday, the evening service being supplemented by stereopticon views. All are cordially invited to be present.
